

Tips for Adding LifeWave Patches To Your Practice

How to Use with Your Patients

- Simply place the X39® on the patient's body before or after treatment or procedure
- Continued use of X39® and the activation of GHK-Cu (copper) peptide can provide the body with a level of health energy, vitality and wellness that many have not experienced in years ... possibly decades
- Can significantly enhance patient outcome, satisfaction and referrals

Purchasing and Stocking Your Inventory

- Bulk Ordering
 - Diamond Pack of 19 sleeves -\$1,599 (\$84.16/sleeve of 30, \$2.81/patch) Can be customized to include other patches)
 - X39 / 20 Packs also available
- Set and monitor minimum reorder quantity based on increasing daily /weekly usage
- Marketing & support materials available

Suggested Pricing

- Single Patch during treatment - \$10 each
- Small quantity take home - \$6 each
- Retail: 1-Month Supply of 30 patches = \$149.95 USD
 - \$65 profit to clinic if sold from your inventory
 - \$50 profit to clinic if drop shipped by LifeWave
- Wholesale: Patients can purchase directly from LifeWave with your link/QR code for monthly subscription price of \$99.95 (\$20 profit to clinic)
- Customers and Distributors can be set up locally and globally to create long-term residual income
- LifeWave services 70+ countries from 15 global distribution centers

Referring Other Clinics and Practitioners

- Share your patient and clinical success with other practitioners
- Earn overrides on other clinic's sales
- In time, this extra income can potentially match or even exceed your Health Clinics current revenue
- Creates long term extra income, stability, and diversification

Getting Started

- Place initial start-up order
- Schedule first business planning and training meeting with LifeWave Representative
