- If you have not already done so, in the Store section of your Back Office, we recommend setting-up a Monthly Subscription Order to ensure bonus qualification and prevent volume from flushing

6. Successful Sampling Tips

- Giving a sample gift of an X39™ can change someone's life... and change your business too!
- This is a powerful and proven process used by many of LifeWave's most successful leaders and teams to engage and enroll new Customers and Distributors
- You can increase your success in getting people to watch our compelling videos by offering to provide them a Free X39™ sample
- We recommend that you do NOT send a sample until after they have watched a video from your InTouch App or at LiveYounger.com. Say something like: *"I'd be happy to send you a sample... but first I'd like to send you a short 3-minute video. If that interests you, I'll be happy to you send you a sample."*
- Experienced samplers have experimented to find the optimum number of patches to give: One is usually best!
- When you follow-up, be sure to offer them the LifeWave 30-day Risk Free Trial
- Some feel it fast... some feel it slow... but we know that X39™ always begins to work at the cellular level for everyone from the very first day

7. Getting Started Guidebook and Video

Check both of these out if you want to learn more about our Proven Plan of Action and take your business to the next level.

- Scroll down to Step 7 and download the Getting Started Guidebook
- Watch Senior Presidential Director Gregory Mascari as he gives you a page-by-page walkthrough and explanation (30-minute video)

SUCCESS TIP: Success is not Magical... It's Mathematical... so do the DMO!
