 - To qualify for Binary Commissions, Active Brand Partners need only one personally sponsored active Brand Partner in each leg each month.
 - This is a 1/3 – 2/3 Binary, and every time you have accumulated 660 points in one leg and 330 in another, you are paid a \$50 weekly Cycle Bonus.
 - Some people “cycle” occasionally, some people weekly, some daily... and yes... some hourly (there is a generous 60% cap on total binary payout).
2. Additional \$300 Diamond PIB Differential Bonus
 - This is a special additional of Product Introduction Bonus (PIB) paid on the sale of Diamond kits (and upgrades)
